BME  
2026

University of Novi Sad  
Faculty of Technical Sciences  
Department of Industrial Engineering and Management

## 2nd International Conference on Business, Management and Economics Engineering

### FUTURE-BME 2026

#### Forging the Future: Business, Management and Economics Engineering in the Age of Sustainability and Digital Transformation

September 29-30, 2026

**Fruške Terme Resort and Residences, Serbia**  
(30 September: Main Event)

**Science and Technology Park Novi Sad, Serbia**  
(29 September: Students' Competition)

We are delighted to invite you to the **Second International Conference on Business, Management and Economics Engineering Future-BME 2026**, a distinguished forum bringing together leading scholars and professionals from business, management, economics engineering and related disciplines/sectors. The conference will focus on innovative pathways at the intersection of sustainability and digital transformation, promoting dialogue, collaboration, and practical ideas that drive meaningful changes.

**PLEASE REGISTER HERE: [REGISTRATION FORM](#)**

The Conference is thematically interdisciplinary. Topics of interest include, but are not limited to the following:

- Business, Management & Human Resources
- Economics, Finance & Policy
- Engineering, Construction & Economics Engineering
- Digital Transformation, Data & Artificial Intelligence
- Sustainability, Energy & Environmental Practice
- Design, Innovation & Entrepreneurship
- Healthcare & Hospitality Management

2026

### Key Dates and Submission Guidelines:

- Deadline for abstract submission: 15 May 2026.
- Deadline for early bird payment: 1 May 2026.
- Submission of full papers: 15 August 2026.
- Notification of paper acceptance: 30 August 2026.
- Deadline for registration: 15 September 2026.
- Payment deadline: 11 September 2026.

**SUBMIT YOUR ABSTRACT [HERE](#)**

Full papers should be submitted to the following email address: [future-bme@uns.ac.rs](mailto:future-bme@uns.ac.rs)  
For more information visit our [FUTURE-BME Website](#).

### Organizer and Committees:

- The Faculty of Technical Sciences is one of the most modern of organized higher education institutions in the region with a tradition of over six decades, known and recognized throughout the world.
- The FUTURE-BME 2026 conference is organized by an experienced organizing committee, as well as an international program committee composed of top experts in their fields. The Conference Chair is prof. Dr. Andrea Ivanišević, full professor at the Department of Industrial Engineering and Management.

*Prof. Dr Andrea Ivanisevic  
Program Committee Chair*

2026

## Venue & Accommodation

FUTURE-BME 2026 will be hosted at the [Fruške Terme Resort and Residences](#), a modern resort nestled in the scenic surroundings of the Fruška Gora National Park. Special accommodation rates are available for registered conference participants.

## Conference Highlights:

- **Interdisciplinary Nexus:** Future-BME 2026 brings together experts from business, management, entrepreneurship, economics engineering, logistics, law, civil engineering, and related disciplines. It offers a comprehensive perspective on how digital technologies and sustainability principles jointly reshape organisations and infrastructure.
- **Global Insights and Practices:** The conference provides a platform to examine cutting-edge practices from around the world, offering valuable insights into the challenges and opportunities faced by companies, organisations, and economies globally.
- **Collaboration, Innovation & Real-World Impact:** Connect with leading experts, practitioners, and scholars. The Conference offers a unique opportunity to build networks, share ideas, and collaborate on future projects.
- Selected high-quality papers may be invited for submission to the Scopus indexed **International Journal of Industrial Engineering and Management** (IJIEM) (ISSN 2217-2661), offering an opportunity for your research to gain international recognition.

**Join Us:** Be part of an intellectually rigorous, peer-reviewed forum that links theory and practice. We welcome original research and evidence-based case studies exploring how digital technologies and sustainability are transforming business, management and economics engineering.

Warm regards,

Future-BME 2026 Conference Organizing Committee
